You are currently applying for a mortgage loan in the amount of \$ _____ may increase if the loan amount increases, or decrease if the loan amount decreases. The fees in this Agreement are for broker services only and do not include other closing costs or credits from us or other parties for non-broker related services.

' "'6FC?9F': 99G. Depending on the loan program you select and subject to applicable legal requirements, our fees may be paid by you directly or indirectly, or a combination of both. For the portion of our fees paid directly, you will pay our fees from your own funds at or prior to the loan closing. For the portion of our fees paid indirectly, you may elect to include our fees in your loan amount and pay us at closing out of your loan proceeds. In addition, you may pay our fees by electing to pay the mortgage lender a higher interest. When you elect to pay a higher interest rate, the mortgage lender will provide you with a credit which will be applied against and reduce your settlement charges, including our fees. Paying our fees directly versus indirectly may result in a lower interest rate. We have discussed these fee payment options with you. In addition to our fees, estimates of other fees you will pay in connection with your loan will be shown on your Good Faith Estimate. Once your interest rate is locked and your loan amount and terms are finalized, we will be able to tell you the exact amount of all fees.
